

QUALITY PARTS, VALUE PRICE

As a vehicle ages, the customer expectations changes. In many markets, owners of aging FUSO vehicles becomes more price sensitive and start looking for alternative service and parts offers. This is an introduction of the right solution for the right moment, FUSO Value Parts, a new concept in maintenance parts. FUSO Value Parts are currently only available for classic FUSO Trucks. This model ensures continuous reliability and care for customer vehicles while keeping the costs at bay. We are confident that the offer will go far in assisting vehicle owners that are meticulous about their fleet running cost especially out of warranty. Value Parts reach high longevity within a normal and above average usage. Requirements on material and their selection are specifically geared for perfect match for FUSO vehicles.
